

## REMARKS

In the above-identified Office Action Claims 1-14 are rejected solely on the grounds of non-statutory obviousness-type double patenting in view of Claims 1-11 of U.S. Patent No. 7,145,578. Submitted herewith is a Terminal Disclaimer referring to that patent and executed by an individual empowered to act on behalf of the Assignee of the full title and interest in and to the above-identified application. In this regard, it is believed that the Terminal Disclaimer overcomes the rejection of the claims, wherefore the issuance of a Notice of Allowance is solicited.

The Commissioner is authorized to charge the statutory fee of \$130.00, as required under 37 C.F.R. § 1.20(d), as well as any other required fees, to Deposit Account 50-3939.

Applicant's undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,

/John A. Krause/
